Things To Know About This Dog

- Has separation anxiety

Biography

Shiloh came into rescue because his owners were no longer able to care for him. He is a gorgeous standard boy that will steal your heart. He is very laid back and a total sweetheart. He is housebroken and crate trained. He gets along with everyone and everything, even cats. Shiloh loves to go for walks or lounging in the backyard, he loves the outdoors. He has separation anxiety and would do best in a home with another dog or with an adopter that is not gone long hours.
